TWEED RIDE IS COMING!

Front Street Brewery Proud To Support Tweed Ride And Local Economy!

Davenport, IA - A local favorite and the oldest brew pub in Iowa is a major sponsor of the Quad Cities Tweed Ride. "When I saw it I wanted to support it" says owner Steve Zuiderma whose Freight House tap room is the rally point for the annual event. This means a lot to ride organizer Tim Nelson. "Folks appreciate the delicious beer but behind the scenes Steve supports the economy by using local craftsman to build his brewing equipment" says Tim. "He told me with all the industry around here and all the skilled local machinists and welders, when it came time to install new equipment at the Freight House he sought out local artisans to build the equipment needed rather than buy equipment made overseas. I'm proud to have Steve as a sponsor of our ride."

OCTOBER 24TH, 2015

Ride Itinerary:

10am to Noon - Registration at the Freight House and "Mingling in the Market".

Riders depart at Noon

12:30 to 1:00 - Tea and Scones at Credit Island Park's "Seurat Statue Garden".

1:45 to 3:30 - "Twick or Tweed" in the Village of East Davenport hosted by Lagomarcino's and featuring treat specials, yard games, and live music from the LKB Trio.

4:00 to 5:30 - Awards ceremony, traditional English dinner fare, and Front Street Brewery bike raffle at Mac's Tavern, downtown Davenport.

After ride party at Front Street Brewery's Freight House tap room.

Davenport, Iowa - The Quad Cities "Tweed Ride" returns on October 24 as bicyclists gather at the Freight House in Davenport to embark on a leisurely scenic riverfront ride. The Two Wheels and Tweed Social Club is proud to bring this stylish and family

friendly event back for a return engagement. Modeled after the original London "Tweed Run", riders have fun reproducing the traditional English attire and spirit of a bygone era. All bicycles are most certainly welcomed but vintage velocipedes will be appreciated and fawned over! The ride will conclude with awards for "Most Dapper Gent", "Most Fashionable Lady", "Best Vintage Bike", "Best Decorated Bike", "Clunker Bike" and of course the coveted "Best Moustache".

Cost to ride is free with donations accepted to help River Action. So dust off those jaunty wool caps and wax up those moustaches as we celebrate what is still the most wonderful way to propel one's self from point A to point B...the bicycle!

Trash Can Annie's Happy to Assist Riders with Their Wardrobe!

Davenport, IA - In a related story, Trash Can Annie Vintage Clothing, offers a treasure trove of vintage clothing options and expert advice for riders looking to make a splash at this year's event. "Owner Laura Heath is Quad-City treasure" says ride organizer Tim Nelson. "Besides making clothes shopping fun, she is a wealth of information and a visit to her store at the foot of the arsenal bridge should be a part of everyone's Tweed Ride experience."

Village of East Davenport Welcomes Scenic Tweed Ride

Davenport, IA - When the organizers of the Quad Cities Annual Tweed Ride approached Tom Lagomarcino about possibly routing the ride through the Village of East Davenport they were welcomed like an old friend. "The Village bent over backwards to help us and is a perfect fit for this ride" says Tim Nelson of the Two Wheels and Tweed Social Club.
